### **Algonquin College Foundation, Sens Foundation, Military Families Fund celebrate first six recipients of the MFF bursaries**

A unique partnership among a professional sports team, the Military Families Fund, and Algonquin College Foundation will be celebrated on October 28.

The first six recipients of the MFF-Sens Foundation Bursary at Algonquin College will formally receive their bursaries at a ceremony at the college.

The bursary is the product of the desire of the Ottawa Senators and their sponsors to support Canada's troops, and their partnership with the Military Families Fund. For the past four years, the Senators have dedicated a game to "Support the Troops" night. In 2008, the Algonquin College Foundation received \$135,000 from the Sens Foundation and the Ontario Trust for Student Support to establish the bursaries.

**Who:** Bursary recipients including horticulture student **Leigh-Anne Nielsen Cyril Leeder**, Ottawa Senators
