Algonquin College Faculty of Technology and Trades Awards/Bursary Recognition Evening

For over fifteen years, Algonquin College's Faculty of Technology and Trades has taken the time to recognize the success of our students and show gratitude to our numerous community partners for their support of our programs.

Twenty-one awards and bursaries are given out over the course of the evening to thirty students. Awards and bursaries from all areas of our Faculty are given to students based on various criteria including academic merit, leadership within the student community or involvement in extra-curricular activities.

Who: **Kent MacDonald**, Vice President Academic
Joy McKinnon, Vice President of Business Development
Claude Brulé, Executive Dean of the Faculty of Technology and Trades.
