**Date sent:** May 9, 2006

**Date of event:** May 11, 2006

### Algonquin College and OCRI Host Applied Research Day

Algonquin College will showcase its internationally-recognized research projects in the School of Advanced Technology, School of Media and Design and School of Health and Community Studies. The College, in conjunction with OCRI (the Ottawa Centre for Research and Innovation) and Communications and Information Technology Ontario (CITO), a Division of Ottawa Centres of Excellence (OCE), is holding the fourth-annual Applied Research Day. Tours will be given of Algonquin's leading-edge Simulation Centre for Health Studies of Applied Research - Phases I and II, the WiFi Research Lab, the Hapto-Visual Research Centre and the Opto-Photonics Lab.

**Who:** **Robert Gillett**, President, Algonquin College  
**Nelson Rogers**, Algonquin College's Acting Director of Applied Research and Development
