Algonquin College Pembroke Campus, Cafeteria

Career Week is once again upon us. We are reconnecting with our Alumni and friends to invite you to meet with fellow graduates at an informal social. As well as networking with other grads, alumni will be chatting with current students to share their perspective on careers and taking part in our “This is My Job” career networking segment.

Feel free to forward this email to classmates or other Algonquin Alumni who might be interested in this Career Week event in Pembroke. Looking forward to seeing you at *the Alumni Social and Career Networking!*

Coffee!

RSVP: Let us know you are coming by contacting Jodi Bucholtz at: bucholj@algonquincollege.com or by phone to 613-735-4700, ext. 2736.

All participants in the ‘This is My Job’ career networking segment and Alumni Social will be entered into a draw to win a Nintendo Wii!
