CALLING ALL ALGONQUIN COLLEGE GRADUATES

February 2, 2010 – Algonquin College in the Ottawa Valley wants to reconnect with its successful graduates at a special event during Career Week.

315 Pembroke St., East

Pembroke, Ontario

K8A 3K2

The Pembroke Campus is holding an Alumni Social between 3 and 5 p.m. on Wednesday, February 10th to touch base with local alumni, inform them about Alumni Association benefits and events, and facilitate a networking opportunity between past graduates and current students.

“We are hoping to accomplish two goals at this Alumni Social”, says Jamie Bramburger, Manager of Community and Student Affairs. “We’d like our graduates to connect with one another and with the College once again, and to exchange relevant career information. At the same time, we have many current students who would greatly benefit from chatting with alumni, hearing some successful career stories, and learning from the experiences of those graduates who paved the way for them.”

The informal atmosphere of the Alumni Social will help facilitate a networking opportunity between alumni who are working in the community, as well as help current students with the transition from attending college to getting ready to launch their new careers. Students and graduates who participate will also learn more about the new campus project, find out alternative ways to keep in touch with fellow graduates, and hear about fun Algonquin College events in the future.
